**Full-Time Help Needed:**

The Virginia Crop Improvement Association is seeking to fill a full-time position at the Foundation Seed Farm in Mount Holly, VA (Westmoreland County). Guaranteed 40 hours per week with overtime, vacation, and sick leave, as well as health insurance and retirement benefits. This position will assist in all aspects of a commercial seed cleaning and grain farm operation. Tasks include operating and servicing equipment, seed packaging, field inspections, and grain harvest and planting. Minimum requirements: must be age 18, must have completed high school, willing to work weekends and overtime in-season, and able to climb ladders and lift 50 pounds. Previous work experience or technical training preferred. Hourly pay commensurate with experience. For questions please reach out to Phillip Browning at 804-472-3500.
